

# Seawater Desalination Update

**Mike Murphy, COO  
Water Utilities**

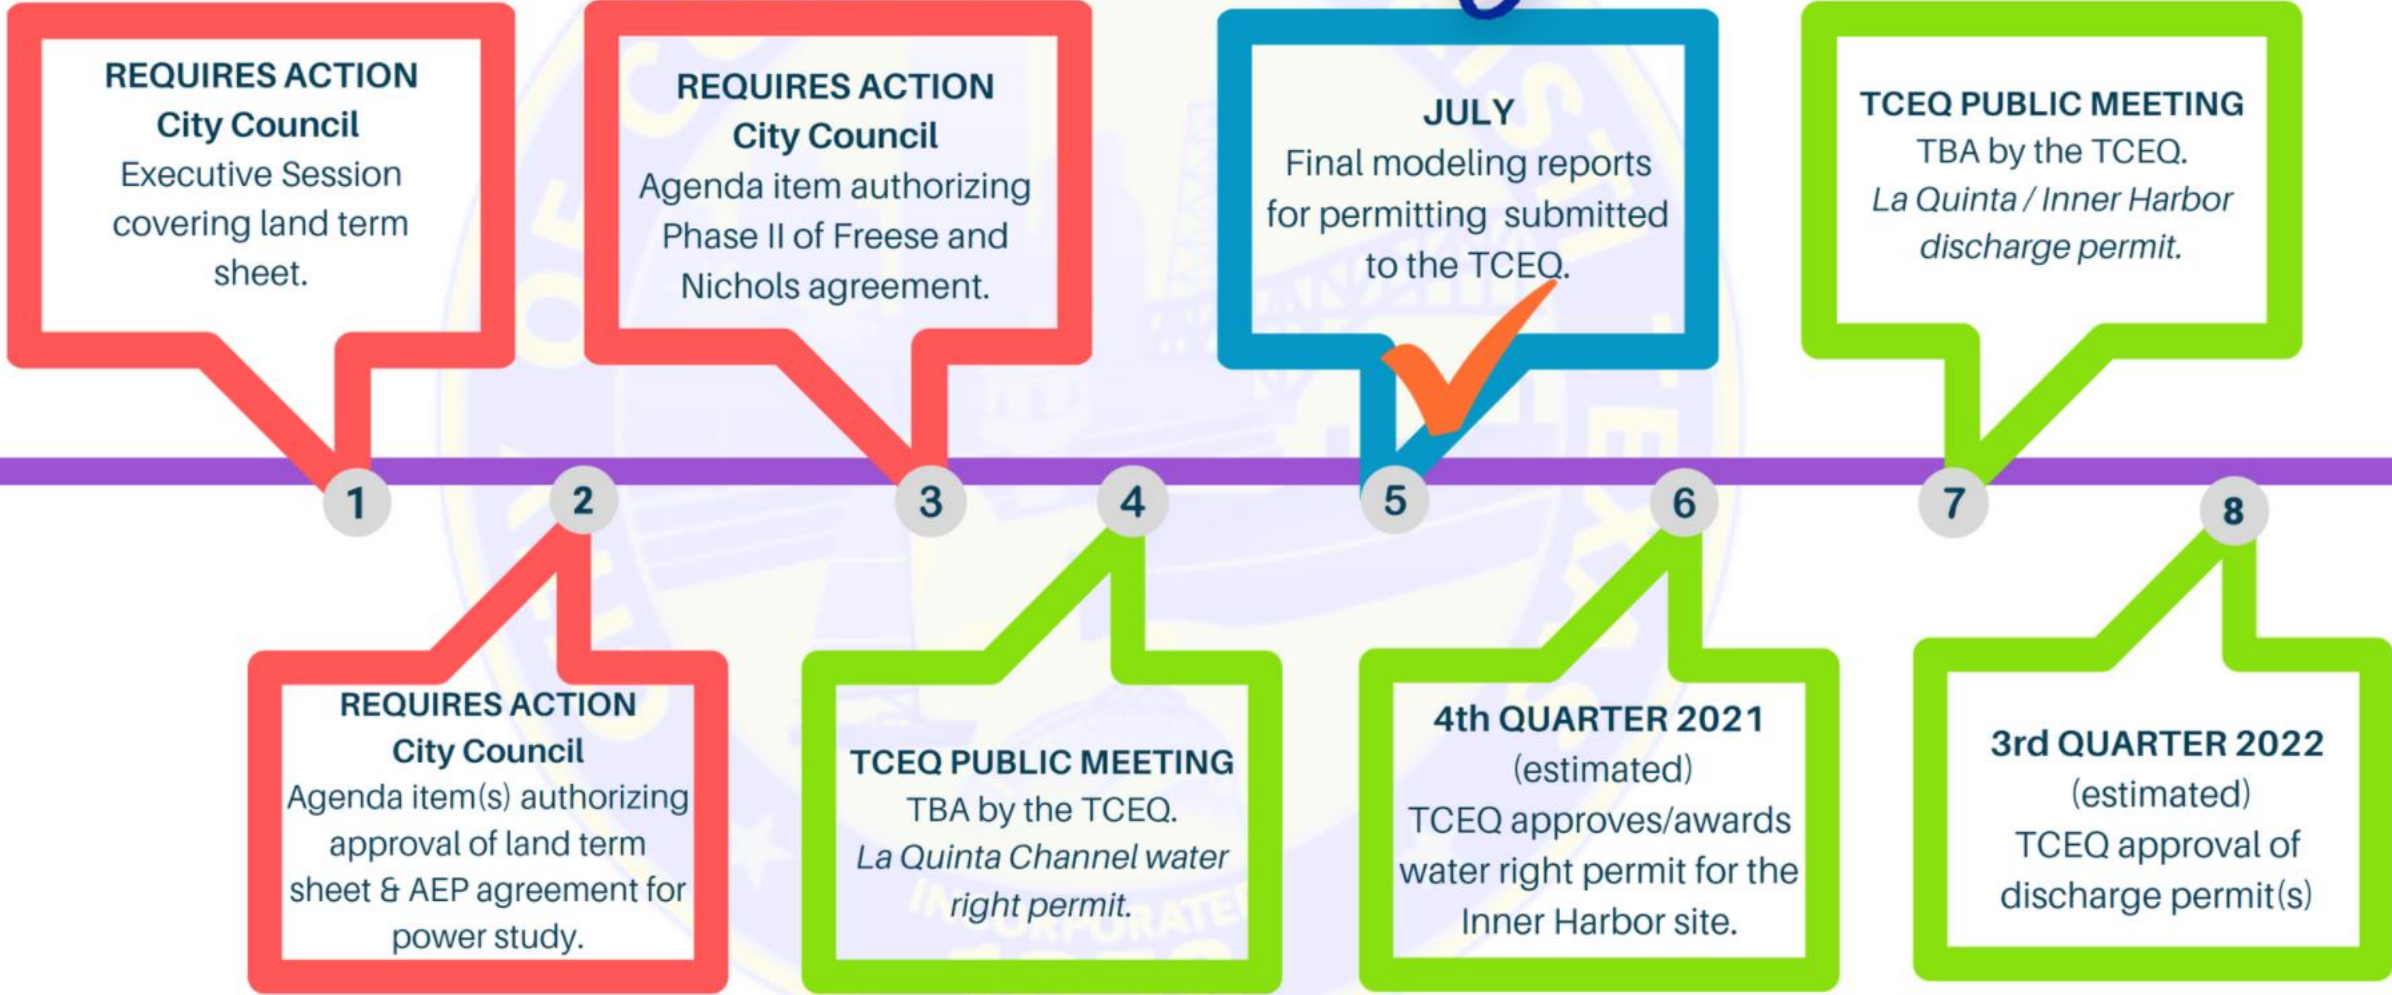

**August 31, 2021**

**Mayor and City Council**

# 2021 seawater desalination

# Pending timeline

*City Council action items are one year behind projected schedule.*

# The steps toward seawater desalination

- Without Mayor and Council's determination on site location, these steps will remain at a standstill.
- If Mayor and Council choose a new site, the process starts from scratch again.
  - An additional 3 years and \$1 million dollars are anticipated for permitting and studies.

**1** MAYOR AND CITY COUNCIL DETERMINE SITE LOCATION.
